

CERTIFICATE OF CONFORMITY

CERTCONF2011

This document certifies that the following product and specific batch has been manufactured to and complies with the company's standard Specification.

It further certifies that the batch has been tested by a diagnostic laboratory and complies with the minimum specification for this product.

PRODUCT CODE	RRSP23		
DESCRIPTION	Crystal Violet 0.5% Aqueous		
BATCH NO	Allocated at time of production		
Manufacture Date	3 Year Shelf Life	Expiry Date	3 Year Shelf Life

SPECIFICATION

A 0.5% working solution of Crystal violet which is the deepest blue of all the methyl violets, and is satisfactory for most purposes for which methyl violet is used, including the metachromatic demonstration of amyloid. Its darker blue shade makes it the dye of choice for use in Gram's stain for the demonstration and primary classification of bacteria

IVD

This product has been registered as a medical device with the "Medical and Healthcare Products Regulatory Agency", 11th Floor, Hannibal House, Elephant and Castle, London SE1 6TQ, UK under approval number IVD000444 which lists all EDMA Classifications applicable.

TESTING PROTOCOL

(WHERE APPLICABLE)

Supplied against supplier's certificate of analysis/conformity

We confirm that this batch has been tested in our Laboratory and has been found to perform to our minimum standards and that sample will be retained for the life of the product
